Feathers of Australia

(Andre Vanne Sculpture)

Feathers of Australia is the home of Feathers Famous Birds which have become known internationally for quality of design and finish.

Andre Vanne, who has been a sculptor of bird forms for more than 20 years founded the company in 1986. Andre exhibited in England, Holland and America while living in South Africa.

He immigrated to Australia in 2001 on a distinguished talents visa and continued the Feathers tradition. Feathers birds are available in major galleries throughout Australia.
