For Trades

"The WELDERBEAST would like to thank Vaughan Penfold and the Team at Nortec for the professionalism and service that they have provided me with, in my dealings with them.

The Caliber of workers that Vaughan has provided me with can only be described as second to none. I have no hesitation in recommending Vaughan and the team at Nortec to my Friends, Family and fellow Colleagues.

Nothing is too much trouble for Vaughan. He takes the time to get to know you and find out your needs, and then fills that need. Keep up the good work Vaughan. I know you're only a phone call away.

The WELDERBEAST will definitely continue to use your services".

Large Provision of Staff for Hospitality, Tourism Events

"I have been dealing with Nortec labour hire for many years now and during this time I have found them to be very efficient in service and the quality of staff is excellent. If I am short on the day it just takes a quick phone call and they arrange the staff for me within no time at all, short notice is not a problem. Nortec's supply of staff to this organisation has been nothing but exceptional. Large conference dinners, bar duties, or even someone just to help keep the place clean, you can always trust that these positions will be filled with no fuss. I would recommend Nortec labour hire to any organisation that requires quality staff and top quality service".
